CHARGES INTENT TO KILL

Assistant Circuit Attorney Files Informations Against Mulhall.

Assistant Circuit Attorney Hancock yes-terday morning filed in the Circuit Court two informations charging Zach Mulhali with asseult with intent to kill. The with assent with intent to kill. The charge grows out of the shooting affray in which Mulhail was engaged on the Pike as June is, whee Ernest Morgan was estimated in the abdomen.

One information charges Mulhail with assaulting Frank Reed, the hostier in a Pike show, with whom he was quarreling at the time of the shooting, and at whom he is said to have fired. The other information charges him with assaulting Ernest Morgan, a bystander, who was accidentally wounded.

Mulhail is now out on bond, having been arraigned recently before the Court of Criminal Correction for investigation to determine whether he should be bound over to the Grand Jury. The preliminary hearing in the Court of Criminal Correction was continued, but the fining of the information against Mulhail will obviate the necessity for a Grand Jury investigation.
